*Instead of searching for the right words, tell us (by email, letter or telephone), what you would like to say, we will then originate your design, and if you ask (often, even if you don't!), we will email you a proof of artwork for (y)our peace of mind.*

# MAKING PEOPLE *Feel Appreciated Since 1984*

Everyone likes to feel appreciated, however it is often difficult to think of just the right words!

Why not share your story?

Ribbed Fan Plaques, page 40

Simply tell us about the person and your presentation situation. We will then send you some different designs from which to choose. With (y)our words and our crystal, you are guaranteed to make someone very happy. We have been doing this since 1984!

# ENGRAVING *Charges*

Each price in this brochure **includes** the engraving of your design once we have originated your logo/artwork/design. If you are unsure in any way of potential charges, please call us for a full explanation and quotation.

If you require each piece to be personalised, for example your logo and then different wording on each piece, the charge will be **60p + VAT per word**, i.e. Club Champion would be **£1.20 + VAT** extra (up to a maximum of £4.00 + VAT).

### OPTION 1

Your logo included in the price.

### OPTION 2

Your wording included in the price.

### OPTION 3

One word, only 60p extra for this engraving.

### OPTION 4

Two words, only £1.20 extra for this engraving.

### OPTION 5

Inscription. Only £4.00 extra for this engraving.

### OPTION 6

Over ten pieces with the same engraving? Included in the price.

## FREQUENTLY ASKED *Questions*

### HOW MUCH DOES IT COST FOR ENGRAVING?

The prices in this brochure include the engraving of either your crest or message. Extra words (i.e. Winner) **60p**, to a maximum of **£4.00** for your inscription. We don't charge for initials or numbers – they aren't words. If in doubt please ask for a price when you order.

### HOW MUCH NOTICE DO WE NEED?

How long do we have? Although small orders can be achieved in a few days, your ability to plan is always appreciated. We hold large stocks of crystal at all times enabling us to maintain the great service for which we are so famous.

### WHAT DO WE NEED IN TERMS OF ARTWORK?

As we have been engraving for so long, we have very many companies and golf clubs artwork, so it is always worth asking first. If we don't have your artwork, a vector file would be very handy. Please see page 5 for more detailed information.

# PRESENTATION Boxes

Cushioned comfort for your crystal. Handmade, lined with satin and making your prize table or presentation situation considerably more glamorous.

## BOX Prices

Single item box	£5.00
Pair box	£5.95
Decanter box	£6.80
Small bowl box	£8.45
Large set box	£9.35
Large bowl box	£15.00

If you don't require presentation boxes, we will carefully pop your crystal into a box that looks something like this.

# YOUR Artwork

If you would like to find out how great your crest or logo could look on a stunning piece of crystal, why not email the best artwork you have?

If you are a company or club, we usually send samples for your perusal – and hopefully approval. There is no obligation with this service, and we only charge origination\* on your first order.

Why not phone us for a chat?

\*Origination time/fee depends upon the quality of the supplied artwork file. Vector files (.ai .eps) preferred.

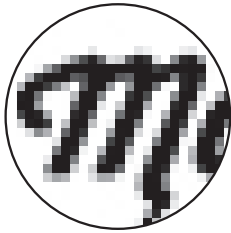

Vector file of logo

Vector file of logo enlarged – no loss of quality

JPEG file of logo

JPEG file of logo enlarged – total loss of quality

From this...

...to this

## IF YOU REALLY *want to know*

The small print – we only use vector files, those we have been sent or we have created. Whilst a .jpg may look useable, they usually need to be redrawn as they are often of not high enough resolution. Vectors can be scaled without deteriorating – these will have an .ai or .eps file extension – you won't be able to open them, but we should be able to.

If you can't find any of the above, maybe post us a napkin or your business card... We didn't think you'd actually read this!

“Each price in this brochure includes the engraving of your design once we have originated your logo/artwork/design. If you are unsure in any way of potential charges, please call us for a full explanation and quotation.”

*As per my earlier call, I wanted to express my sincere thanks for the fantastic job you did with my Captains Day crystal prizes. Everyone that received one was delighted and all that didn't were very envious.*

*The end of line pieces you provided for my charity, Cancer Research UK, raised in excess of £300. I am meeting with the area director next week to hand over a cheque and I will be sure to give you the mention you deserve. Thanks again.*
